## **INSIDE INFORMATION**

This announcement is made by Mansion International Holdings Limited (the “**Company**” together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that the absence of Ms. Fung Sau Ying (“**Ms. Fung**”), the chairlady of the Board, chief executive officer and executive Director of the Group, on the daily operation and management due to her sudden severe sickness. The Board has assigned Mr. Cheung Desmond Lap Wai, the chief operating officer and executive Director of the Group, to oversee the daily operation tasks previously handled by Ms. Fung until Ms. Fung has recovered and resumed her active management role in the Group. The Board is of the view that the absence of Ms. Fung should not have immediate material adverse effect on the Group. The Company will make further announcement in respect of Ms. Fung’s situation when necessary.

The Board also wishes to inform the Shareholders and potential investors that based on the information currently available and the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2018, the Group is expected to record a substantial decrease in the profit attributable to the owners of the Company as compared to the corresponding period in 2017 (without considering the listing expenses charged for the six months ended 30 September 2017) which will result a loss for the six months ended 30 September 2018. Such decrease in profit was mainly attributable to (i) a decrease in the Group’s revenue in OBM business primarily due to the competition with other market players;

and (ii) a decrease in the Group's revenue in OEM business primarily due to sudden turning of the global economic environment caused by the trade war instigated by US. The Group's OEM customers in US have become more conservative and delayed placing their orders.

As the Company is still in the process of finalising its unaudited consolidated results for the six months ended 30 September 2018, the information contained in this announcement is only based on a preliminary assessment by the Board based on the information currently available to the Company, which includes, inter alia, the unaudited consolidated management accounts for the six months ended 30 September 2018, and such information has neither been reviewed by the Company's auditor nor the audit committee of the Company and may be subject to changes.
